full statutory term of U.S. Patent No. 6,635,613, as presently shortened by any terminal disclaimers, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,635,613, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Your petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,635,613, as presently shortened by any terminal disclaimer, in the event that subsequent hereto U.S. Patent No. 6,635,613 expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is the subject of any disclaimer under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents referred to in the instant Terminal Disclaimer have been reviewed by the undersigned, and it is certified that to the best of assignee's knowledge and belief, title is in the assignee.

The undersigned is empowered to act on behalf of the assignee.

The Commissioner is hereby authorized to charge Deposit Account No. 50-1710 in the amount of \$55.00 for the Terminal Disclaimer fee. A copy of this paper is attached herewith for that purpose.
